#### **Cautionary Statement Regarding Forward-Looking Information**

*Certain information contained in this press release constitutes "forward-looking information", within the meaning of applicable Canadian and U.S. securities laws. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur", "be achieved" or "has the potential to". The forward-looking information contained herein is provided for the purpose of*

*assisting readers in understanding management's current expectations and plans relating to the future. Readers are cautioned that such information may not be appropriate for other purposes.*

*Forward-looking statements contained in this press release may include statements regarding the use of proceeds, the closing of the Private Placement, the future operating or financial performance of the Company and the financial metrics reported in our feasibility study, which involve known and unknown risks and uncertainties which may not prove to be accurate. Actual results and outcomes may differ materially from what is expressed or forecasted in these forward-looking statements. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. Among those factors which could cause actual results to differ materially are the following: the requirement for regulatory approvals; enhanced uncertainty in global financial markets as a result of the current COVID-19 pandemic; unquantifiable risks related to government actions and interventions; stock market volatility; regulatory restrictions; that the Feasibility Study may not represent a viable development option for Block 14 and that the assumptions set out therein (particularly with respect to the economics of Block 14) may prove to be untrue or inaccurate; that actual Mineral Reserves and Resources at Block 14 and the grades thereof may be less or different in nature than those contained in the Feasibility Study; that the Company may not meet the production estimates set out in the Feasibility Study; that the life of mine at Block 14 may be shorter than anticipated; that the Company may not receive the necessary permits on time, or at all; risks related to cost overruns and the changes of the cost of inputs; that the development and mining of Block 14 may experience delays and may not proceed on the expected timeline, or at all; that the Company may develop Block 14 in a different manner than is set forth in the Feasibility Study and other risk factors listed from time to time in our reports filed with Canadian securities regulators on SEDAR at [www.sedar.com](http://www.sedar.com). The forward-looking statements included in this press release are made as of the date of this press release and the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
